The screenshot shows a web browser window with a single tab titled "name.php". The page displays a registration form with fields for "id", "name", "phone", "address", and "course", each with a corresponding label. Below the form is a "register" button. The form is styled with a light blue border and a white background. The browser's address bar shows the URL "http://localhost:8080/name.php". The browser's status bar at the bottom indicates "Line 22: Column 33".
